Office of Residence Life

---

Dear Mr. Perry:

I would like to express my most sincere appreciation for your time, energy and willingness to share your knowledge and expertise during Black History Month at Glassboro State College.

You demonstrated excellent leadership and motivational capabilities. I was impressed by your vast reservoir of energy and stamina. Students and Administrators felt that among the numerous scheduled programs, your workshop was most instrumental in stimulating the interest of students and implementing student involvement. Our office has continued to receive positive feedback from students since your departure.

You exhibited excellent communication and organization skills which contributed greatly to the students understanding and awareness of the importance of communication in a relationship.

As one of the most competent and influential professionals, our office has had the pleasure of working with, I hope that we can extend you a future invitation to join us at Glassboro State College.

Again, I would like to emphasize my sincere appreciation for contributing to the growth of our students and the success of Black History Month.
